HERITAGE

---

What is the central message that comes from Angie's story?

We hear that Angie's grandfather was a factor for the Hudson Bay Company in Fort Chipewyan for over 50 years.

What role would a factor have played in historical times?

Angie tells us that her father was her hero. Can you recall how he was able to teach Angie pride and self-determination?

We see several photos where Angie is standing with provincial and national leaders in the Métis community.

What role do Elders play in our Métis communities?

- 
- 

We see Angie pictured in her First Communion dress.

What role do you believe religion plays in the lives of Métis children and their families?
